## This Week's Program

This week, we are pleased to have as our guest, Dr. William Grow. Dr. Grow practiced Internal Medicine in Valdosta for over 35 years at Valdosta Medical Clinic.

He also served as Chief of Staff at South Georgia Medical Center, as well as Chief of Medicine several different times. Through his work as an Internist, Dr. Grow developed a real passion for community health.

To continue his work in community health, Dr. Grow now serves as District Health Director for the Lowndes County Board of Health, also known as the South Health District. He began that appointment in December of 2010.

## Last Week's Program

Last week, Mr. Nolan Cox, from the Valdosta Tea Party, came and shared with the club some very interesting information related to the T-Splost bill and how that will affect Valdosta, Lowndes County, and the entire state of Georgia if passed.

He related facts related to the Department of Transportation and how they intend to utilize funds raised from this tax if passed in the State.

## The Four-Way Test

All Rotarians should strive to live and conduct business using these guidelines:

- ⇒ Is it the TRUTH?
- ⇒ Is it FAIR to all concerned?
- ⇒ Will it build GOODWILL and better FRIENDSHIPS?
- ⇒ Will it be BENEFICIAL to all concerned?
